It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

*Note*  
Column 23, lines 5-12,

Please amend claim 2 [REDACTED] as follows:

2. [REDACTED] [The portable, hand-held dispenser of claim 1, further comprising] A portable, hand-held dispenser that allows a user to request and dispense negotiable instruments, said portable, hand-held dispenser comprising:  
a wireless receiver that receives dispensing information for a particular negotiable instrument from an authorizing computer;  
a microprocessor that is coupled to said wireless receiver, that receives said dispensing information from said wireless receiver, and that generates printing information based upon said dispensing information;  
a printer that is coupled to said microprocessor, that receives said printing information from said microprocessor, and that prints said particular negotiable instrument when said printing information is received from said microprocessor;  
a battery that provides power to said microprocessor, said wireless receiver, and said printer;  
a dispenser body that houses said wireless receiver, said microprocessor, said printer, and said battery, and that is a size and weight that allows said portable, hand-held dispenser to be carried in a single hand of the user; and  
an input mechanism that is coupled to said microprocessor and that allows the user to submit a telephone mode command to said microprocessor, wherein said microprocessor causes said portable, hand-held dispenser to operate as a telephone and enables the user to place a voice telephone call upon said telephone mode command being received at said microprocessor.

*Note* This certificate supersedes  
Certificate of Correction issued  
May 25, 2010.
